

"Carlito's Way" as near to Santana you can get

A Swedish tribute band to Carlos Santana and his music has been on the stage since 2002.

All the musicians are from Gotland, the biggest island in Sweden, in the middle of the Baltic sea.

Our phenomenal latin rock band continues to amaze fans when we play the music of the legendary Carlos Santana and his band.

We take you through the Santana years from the first album Abraxas to the recent hits from Supernatural and All that I am.

Carlito's Way is probably the biggest tribute band to Carlos Santana in Scandinavia.
